PKI Pricing

CableLabs PKI Operations

Effective: July 1, 2025

Certificate Pricing

The following outlines the pricing for device, AAA and code verification certificates as of **July 1, 2025**. Prices are per certificate in USD.

Annual Account Fees

The annual account fee is charged for each certificate requesting account (CRA), which is associated with a given specification. For example, if you request certificates for D3.0 and D3.1, you will have two CRAs and would pay for two accounts on an annual basis. These fees are used to maintain your account on the third-party platforms as well as the overall maintenance of the PKI program itself.

Account Type	Fee	Notes
DOCSIS (all specs), PacketCable, DPoE	$16,000	
DOCSIS (all specs), PacketCable, DPoE (Limited Volume)	$1000	Limited to purchases of 1000 certs or less each year.
OpenCable	$500	Only available for OpenCable renewals.

Device Certificates

Minimum order quantity is 10,000 certificates (can be spread over multiple accounts). Device certificates are valid for 20 years.
