

**EXHIBIT D4 -**  
**DPoE ONU DEVICE CERTIFICATE NAMING APPLICATION**  
**(for use with DPoE ONU devices – CommScope CA)**

**Requestor Information:**

|                    |        |
|--------------------|--------|
| Organization Name: |        |
| Contact Name:      | Phone: |
| Contact E-mail:    |        |

**Certificate Format (To be completed by Manufacturer):**

|            |                                                                      |
|------------|----------------------------------------------------------------------|
| Subject DN | c=                                                                   |
|            | o=                                                                   |
|            | ou=                                                                  |
|            | cn= <(MAC Address (to be entered via the account requesting portal)> |

**Other Certificate Contents (For CableLabs and CA use only):**

|                        |                                                                                       |          |          |                                                                                                                           |
